OPENING THE WINDOWS OF HEAVEN

In last month's newsletter the title "You Are Born to Be a Hero", I shared how on January 15th, 2009 the whole world was aware of Flight 1549 crash landing in the New York Hudson River. What seemed destined to be a tragedy became an extraordinary story of success and survival. By the time, all 155 people were pulled from the icy waters by a flotilla of rescue boats, a story began to emerge of a highly trained professional with a cool demeanor who had deftly guided his doomed aircraft to safety.

The headline in the media was Miracle on the Hudson. All survived as commercial airliner made an emergency landing in the New York Hudson River. What most people don't know is that the aeronautical experts all agree that it is almost impossible for a jumbo jet the size of Flight 1549 to land in the Hudson River without immediately sinking to the bottom. Thank God that

Captain Chesley "Sully" Sullenberger went by his instincts and not by the advice of the aeronautical experts.

This experience reminds me of a story in 2Kings7, when there was a severe famine in Samaria. The Prophet Elisha told the king, tomorrow at this time there will be enough food for everyone. The king's counselor said, "If there were windows in heaven it would not be so!"

In 2Kings7, God used Elisha to speak a word that changed everything for an entire city. The situation was so desperate; people actually ate dove's dung and even their own children. "Tomorrow about this time a measure of fine flour will sell for a shekel and two measure of barley for a shekel in the gate of Samaria," (2Kings7:1). The king's captain leaned over and answered the man of God and said, "If the Lord made windows in Heaven, could this thing be? Elisha answered back that the captain would see it but would not eat of it. Elisha challenged the voice of doubt and unbelief.

The prophet's words came through and one of the strangest miracles took place-it was a radical turnaround. How it happened is just as amazing. I've got good news for you today. There are windows in Heaven and they can be opened by acting on the word of God, but

YOU HAVE TO WATCH OUT FOR THE EXPERTS!

When we hear the financial experts, see the headlines in the news, and observe the state of world affairs, we can clearly recognize the end time that Jesus spoke about in the gospels. Fear may be gripping the hearts of society around us, but we are the Body of Christ and have a covenant and a kingdom that cannot be shaken!

"WHEN YOU HEAR THE WORD RECESSION, 'JUST SAY I'M NOT PARTICIPATING"

Step out in faith and take the spoils of Satan's kingdom. The world is crying recession, famine; God is saying time for possession. 2 Chronicles 20:20 says, "Believe His prophets and you shall prosper!" (Proverbs 13:22) "A Good man leaves an inheritance to his children's children, but the wealth of the sinner is stored up for the righteous." In 2Kings7:3, there were four lepers who sat outside the city. They started thinking, "Why do we sit here till we die? Let's get up and go into the Syrian army camp." So they got up early in the morning and began walking to the camp, but when they got there it was empty. As they were walking to the camp, God amplified their footsteps and made it sound like an army was coming. The entire Syrian army abandoned their food, possessions, horses, and donkeys, and ran for their lives.

You know the rest of the story how the four lepers walked to enjoy a feast. Then they thought of their city and went back to tell the king the good news. All the people ran to the camp and they found more than enough provision. As they charged out of the gate, the captain who doubted the Word of the Lord was trampled under their feet and Elisha's prophecy came true.

God's people must rise up in bold faith like the lepers. It's not time to sit and wait for something to happen, but it's time to use the power of your faith and act upon it. God is still Jehovah Jirah "the Great Provider" and He has great provision for those who get up and obey the unction of the Holy Spirit to move towards the enemy's camp and take back what the devil has stolen. When you tithe and give offerings it releases blessings upon you. As God said in Malachi 3:10-12 "Bring all the tithes into the storehouse, that there may be food in My house, And I will pour out for you such blessing that there will not be room enough to receive it. And I will rebuke the devourer for your sakes, so that he will not destroy the fruit of the ground, nor shall the vine fail to bear fruit for you in the field, says the Lord of hosts; And all the nations will call you blessed, for you will be a delightful land, says the Lord of hosts." It's time to harvest the finances, souls and answers to prayers that you have prayed. Heaven is waiting for us to step out in faith.

Testimony from Sheri-
We prayed for a lump in her breast and it was gone upon self-examination.

When you pray as they did in Acts 4:31, God will release a spirit of great boldness and God will shake your spirit and soul with His presence. That's exactly what happened when the four lepers started walking. Their clothes had bells attached to them. When people heard the sound of those bells they knew there were individuals with a deadly disease nearby. God multiplied the sound of their bells to sound like a mighty rushing army, which signified death. "The sound of bells God used against the enemy to bring life and provision." In 2Kings 7:9, the lepers said to one another "This Day is a Day of Good News, we must not remain silent." The four lepers were the most unlikely ones to receive the spoils of the enemy and bring the provision to the multitudes. Trust and believe that your God is giving you wisdom and direction in all your affairs and you will have many days of good news. Don't remain silent, share your testimony about how God is your provider.

God is not a respecter of persons. Just think what He would do if you stepped out in faith like the four lepers. Open the windows of your own soul; put your faith and hope in God and He will do the miraculous.

This is not the time to believe the financial experts in the world, and hide in fear; it is time to believe the word of the Lord! It's time to look towards heaven, and to Jesus the author and finisher of our faith. (Hebrews 12:1-3).

As you take steps of faith remember in Genesis 26:1-12, Isaac sowed in famine and he received a hundred fold that same year.

Anita and I are thankful for our partners and friends that the Lord has brought into our lives. It is a blessing to serve you and to preach the word of God. Together we are taking God's word with signs, wonders and miracles following to America and around the world. The economy of our nation and our world is being shaken, but we have a kingdom that cannot be shaken. Read Hebrews 12:27-28. "Therefore, since we are receiving a kingdom which cannot be shaken, let us have grace, by which we may serve God acceptably with reverence and godly fear.

Be strong in faith and you will see a radical supernatural turn of events in your life. May the blessings of heaven be showered down upon you. We are even now receiving testimonies of how people have sowed into our ministry and have received their supernatural financial breakthrough. We are praying, and believing for a supernatural financial breakthrough for you and your household.

In His Service,
